Dear Sir:

I am writing you to obtain some information concerning your career, radio station, and program schedule. If you would answer the following questions I would appreciate it very much.

Are you considering commercial radio as a career?

If so, where are you going to get the necessary experience?

Would you send me your program schedule?

What type of program is preferred on your campus?

What are the best types of music on campus? Popular, Classic, Jazz

How long has the station been on the air?

Thank you very much for your cooperation.

Sincerely Yours,

William S. Brackett Jr.
